Dear Mrs. Vaishali Sandeep Baste and Mr. Vikas D. Raskar,

HAC is pleased to confirm that it would like to provide some support to this event "**SPREADING BRIGHTNESS THROUGH SUSTAINABILITY-SOLAR LAMP AND AWARENESS TRAINING FOR RURAL AREAS**", #20-SAE-04 being held in Lonavala, Maharashtra, India 18-Dec-2020, as per the application, and looks forward to collaborating with the organizers to maximize the impact of this event.

The total budget approved by HAC is: **US \$500.00** per the budgetary breakdown submitted with your application.

The following are the expectations of HAC in relation to HAC branding and visibility (before and during the event):

- Inclusion of the official HAC logo on the event website, event program and on banners and other publicity materials at the event (Logo file is attached)

The following are the expectations of HAC regarding potential participation at the event:

- We encourage you to involve IEEE members in any way you see fit.

The following are the expectations of reporting after the event:

- A summary report on the event with evaluation metrics must be submitted within two months following the event.
- Please include an accounting of how the HAC funds awarded were spent.
- To provide context, a brief overview of the overall event should be presented, with pictures if possible, and with the report primarily focusing on the perceived impact of those activities supported by HAC.

Please confirm your acceptance of the terms of this offer. If you have any questions, please let us know. Once we have your confirmation, we will proceed with the transfer of funds.

Please note that it is our procedure to move the funds to your local section, the IEEE Bombay Section, via IEEE's monthly (next is at end of Oct) transfer to our partner, GIEEE, who then disburses to the section. For this reason we request the acknowledgement from the IEEE Bombay Section leadership and also ask that the Section Treasurer provides this office with the necessary bank account details. For this reason, I have copied the appropriate members on this email.

As your event has been selected to receive HAC funding, we would be happy to help you promote it via the IEEE SIGHT social media channels and will be in touch shortly to request the necessary content.

Congratulations!

Subject: - Sanction of ASPIRE Research Mentorship Grant

Dear Researcher,

'ASPIRE Research Mentorship Grant' is an ambitious research funding scheme to identify young research talent in the university departments, colleges and institutions, affiliated to Savitribai Phule Pune University. The aim of providing the seed funding is to inculcate a research culture and to enable them to go forward for major financial assistance from national or international funding agencies.

The research talent is identified through rigorous screening / evaluation process by nationally and internationally renowned experts in the field, from amongst thousands of proposals received.

I am pleased to inform you that your project entitled **Synthesis and characterization of Ni (OH)₂/rGO based nanocomposite deposited on Ni foam for NO_x gas sensor.** has been provisionally selected for research funding of **Rs.300,000.00** in the ASPIRE Research Mentorship Scheme for the year **2019-21.**

As a young researcher receiving this grant, we expect you to carry out your proposed research, in the best possible manner and report to us, periodically, about the outcome, utility and impact of your work. Such a progress report is mandatory at the end of every six months, from the date of issue of this letter. The progress made in the first year will be evaluated by an expert panel, for guidance and evaluation. Needless to mention, that the progress during the first year shall form the basis for continuation of the project for the remaining year.

I specifically draw your attention to the rules and guidelines of the ASPIRE scheme, which are available at the following link -
