Brief Summary about Solar Lamp Training and Awareness Program:-

The IEEE student branch of SIT, Lonavala, organized the solar lamp training and awareness program on 29th Dec2020. This event especially targeted the people living in rural areas. The major objective of program was to train rural people to create their own solar lamps and to spread awareness among the masses about the use and advantages of sustainable resources available. Our chief guests, Dr. Prof. Chanakya Kumar Jha and Mr. Harish Patil addressed the participants about sustainable resources, their advantages and their beneficial uses in day-to-day life. More than 90 people have attended the training and awareness program, which made this event a great success. A team of teaching and non-teaching members supported the participants in making solar lamps, which led in good feedback from the masses. Complete program was interactive and satisfying. The training and awareness program was been conducted successfully.
