## **INTRODUCTION**

### **Surabhi-2K21**

Surabhi-2k21 is an annual gathering event organized by Sinhgad Institute of Technology. Surabhi-2k21 offers a platform to the students to show their skills other than academics. This year Surabhi-2k21 was organized on date 26<sup>th</sup> June 2021. Various events were organized like Solo Singing, Duet Singing, Solo Dance, Mr. SIT and Miss SIT, Quiz etc. Students from various departments are participating in this event and get chance to explore their extra-curricular skills apart from their academics. Various judges from different fields were invited to judge the students' performance and select the best among them. Event is aimed at overall development of the students.

## **Event Details**

### **Event Description:**

“**Surabhi 2K21**” was organized Sinhgad Institute of Technology under the guidance of **Dr.M.S.Gaikwad (Principal) and Dr.D.D.Chaudhary (Vice-Principal) and faculty members**

**Prof. Swapnil S. Shinde (Cultural Head) and Prof. Reshma.D.Kapadi (Cultural Coordinator)** on 26<sup>th</sup> June 2021 from 10:00 am to 2:00pm.

The Event was organized at Online. All Students from various departments over the years has been organizing events that bring together fun, knowledge, creativity, innovation and freshness in all the aspects of our life. Surabhi 2K21 – the Annual Cultural Festival of SIT since its inception has always brought out the best talents in the college to the fore. It is organized with much fanfare.

The annual cultural festival Surabhi 2K21 is one of the most awaited events at the SIT of lonavala. Surabhi 2k21 is a thoroughfare along which the engineering students are able to unveil their talent on the much isolated turf of performing arts. This is an event where students take a brief time off their busy schedule and strive hard to acclaim proficiency in the field of performing arts. Anchors took over the Stage

### **ACTIVITIES CONDUCTED:**

- 1. SoloSinging**
- 2. DuetSinging**
- 3. SoloDance**
- 4. Mr. and**
- 5. MissSIT**

**Let's have a look at the events took place in Surabhi 2K21:**

- **Solo and Duet Singing:** It included both Solo Singing and Duet Singing. It brought forth the best singers in SIT. They got a chance to perform on the stage and entertain the audience with their singing.
- **Solo Dance:** The students competed with each other in solo dancing and duet dancing. The dance was choreographed by the participants themselves. At the end, the winner was announced.

Sanjeevani - Life Beyond Cancer and NSS SIT has organize

Sanjeevani - Life beyond Cancer and NSS SIT has organized an awareness program on cancer prevention and healthy lifestyle for the students of college. Cancer is the second leading cause of death globally. Youth are mostly into practicing unhealthy lifestyle and cancer is a lifestyle disease, so the main focus is to work on it. The program focuses on prevention of cancer by leading a healthy lifestyle, early detection of cancer by looking out for signs and symptoms of common cancers and how to make a substantial difference in a person's life diagnosed with cancer. The awareness program is done by using Google Meet Platform. It is conducted by online and the duration of the program is 1hr 30mins.

**Duration of camp-** from 8th of March 2021 to 14th of March 2021.

**Aim-** The main purpose of the camp was to motivate the people for unity in culture, cleanliness, Awareness about Covid-19, Awareness of their health.

**Activities that held daily-** At morning exercise and prayer is done. At evening lokjagar and motivation speech that was the daily schedule which held on every day. During this many of the activities are done. We reached at Kadadhe by collage bus at 8th of March at 3.00 pm, till 4.00 pm clock we find our location and settle to stay there. After that we gathered and four groups were formed by leaders of our team. Each group include one leader and with 12 group members. Working of each group was scheduled at that time one of four was food team, second was for group discussion, third for lokjagar and last team was on rest and this team took responsibilities of discipline and maintains at the time of group discussion and lokjagar.

**Day 1:08/03/2021**

First day objective of the camp include introduction between the villagers and NSS volunteers. The day of NSS volunteer starts at sharp 4 am in the morning. A healthy mind dwells in a healthy body, hence the day started with a jogging trek and yoga session. The morning breakfast was done till 8 am. After the morning task, the second session of the day started which included dividing the volunteers in teams and dividing the task accordingly (food preparation, Lokjagar, Gram Seva, Addressing the villagers).

**Food Preparation & Cleanliness by Students**

The evening started with a group discussion session continued with a Lokjagar performance which included drama and plays on social topics. The day ended by a self-cooked dinner. Which marked the end of a tiring but fruitful day with the enthusiasm for the next day.

## **Day 2 :09/03/2021**

The main objective of the second day was to aware people about covid-19. The second day for the volunteers was going to be tough as volunteers had to aware all villagers about Covid-19 but this gives no excuse on the morning exercise. We were going for to aware villagers about Covid-19 . We started our awareness rallies at 12 pm .i.e. post lunch. After this work we were going return back and had a dinner. At evening daily season group discussion, motivational speech and lokjagar was done.at night 9.00 o clock dinner had done.

**Survey about Medicine at home**

### **Day 3: 10/03/2021**

The motto of the day was a tree plantation. Morning session was done by daily routine exercise and prayer. Right after the breakfast the volunteers were assigned the particular location for the tree plantation. These trees will be helpful in summer. All volunteers went for a tree plantation at 9 am after breakfast. We all came back at 12 pm for a lunch.

### **Day 4: 11/03/2021**

The objective of the fourth day was arranging an health checkup camp for villagers. After the morning exercise and breakfast the 3 teams excluding the food committee were assigned for informing villagers about health checkup camp. Doctors were already informed and they came at 10 am and villagers gave a good response to the camp.

### **Health Check-up Camp**

After successful completion of health checkup Camp, all volunteers went for a lunch. With the support of NSS volunteers the doctors monitored the health of each and every child in the village the found diseases were diagnosed and proper medical assistance was provided accordingly.

### **Day 5: 12/03/2021**

Fifth day objective included the cleanliness of village. After morning exercise and breakfast, all teams had given a particular area for cleaning including school area, temple area and rest of the village area. All teams went for cleanliness of village at 9.30 am. And they completed their given task nearly about 12:15 pm. Entire village was neatly cleaned by volunteers.

**Dr. M. S. GAIKWAD**  
PRINCIPAL

### **Cleanliness Drive**

After cleaning village, everyone went for lunch followed by afternoon activities like debate session. After lokjagar at evening, everyone went for dinner.

### **Day 6: 13/03/2021**

Sixth day marked its presence with varied local students. after morning exercise and prayer, we had our breakfast at 8:00 am. After that we went to a villagers where we took permission from local authority and parents to take various student activities. Then all the school students were gathered with our volunteers in Z.P. school premises and then our volunteers arranged various competitions for them and winners were awarded by prizes.

**Essay writing competition for School Students**

After group discussion session in afternoon, we had lokjagar program in evening. after Lokjagar, we all went for dinner.

**Day 7: 14/03/2021**

The objective of seventh day was spreading awareness on saving electricity and electric bill issues. i.e social awareness. The NSS volunteer were spread in the whole village and were responsible for spreading awareness on saving electricity from start of the day. The information included the generation of electricity bills the causes of increasing bills the importance of better lights and their role in cost-cutting of the bill. The electrical wirings were also improved the installation work was done at many places. The last day was totally spend with kids distributing gifts books and spreading happiness.

### **Department Level Farewell Function**

A farewell ceremony was arranged in honor of the outgoing students of CE students of 2017-2021 Batch on 29th June 2021. The students of ACES along with other junior students organized it. Due to pandemic situation on world the function organized on Microsoft Team an online platform. The function began at 2 p.m. with recitation from the Sarasvati Puja. Then the students were offered floral wreaths. 170 students have attended the event with fun and joy. Many teachers, students and education enthusiasts attended the party. Some students delivered their speech on behalf of the students of the College. A good number of candidates also addressed the gathering. Their speeches were heart touching. Many students could not help shedding tears. They expressed their deep love and gratitude to the teachers for their teaching. Next the teachers wished the students welfare and advised them to prepare themselves to serve the nation in future. Some guests also addressed in the same way. The program came to an end at about 5 p.m.

**TITLE: Subject day celebration of  
“Wireless networks” by BE(E&TC)**

<b>Date:</b>	28 <sup>th</sup> May 2021
<b>Day:</b>	Friday
<b>Venue:</b>	Microsoft Teams
<b>Time:</b>	10:00AM to 11:15AM
<b>Student Co-ordinators:</b>	Tanya Singh and IETE Students
<b>Activity Type:</b>	Seminar
<b>Target Group:</b>	All Students

**Brief Summary about Activity:-**

The purpose of this event was to make student aware about Wireless Sensor Networks. This event is traditional activity of IETE Student forum, because of lockdown this year event is conducted in online mode. This event was done in associate with Career Counselling Centre. Main aim of this event is to revise the whole subject, which helps all students with detail revision and application of said subject. This event is conducted and organised by team of that subject students, groups are formed, and each group represent the unit allotted by subject teacher, such a way all units are covered. Three phases are planned for each unit: first unit is explained in single sheet with visual creation of related syllabus, then application video or product video will be shared which give actual correlation of subject with market survey and then business news related to that unit will be explored. In inauguration principal sir Dr.M.S.Gaikwad,HOD and vice principal Dr.D.D. Chaudhary,Mrs.D.K.Shende subject teacher and IETE in-charge,Mrs. S.K.More & Mr. V.D.Raskar[Judge of event] attended and hod sir deliver speech on rising opportunities in the field of WSN. Subject teacher Prof. D. K. Shende addressed students about the subjects and motivated to give their best in contributing to subject. With the great joy students also enjoyed this event. The whole class of BE(E&TC) was divided into groups and each group contained 5 students, they prepared their unit sheets on the subject Wireless Networks and explained the units(Introduction, Applications, Implementation etc..). The event was appreciated by principal and vice principal sir.CCC committee help for feedback certificates for participation.

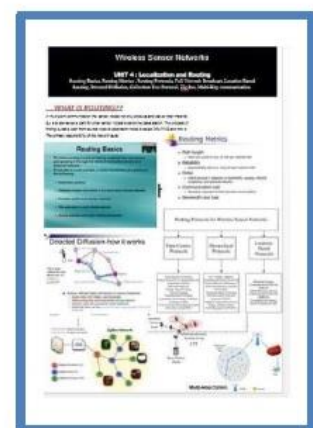

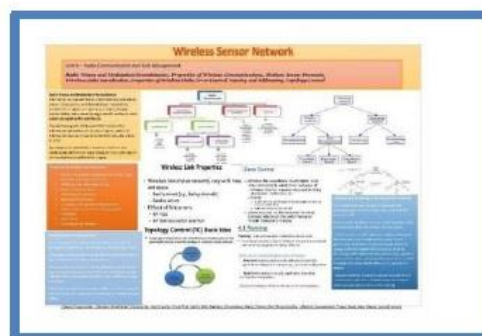

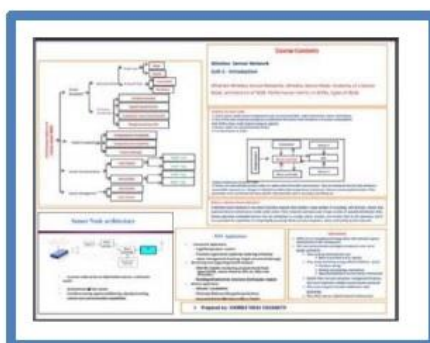

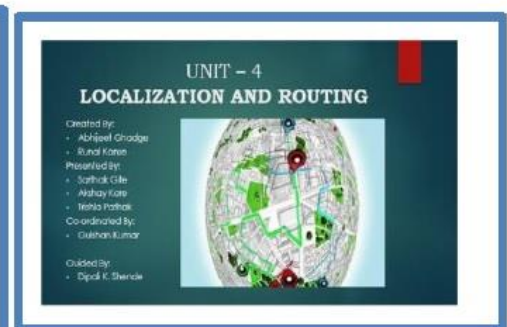

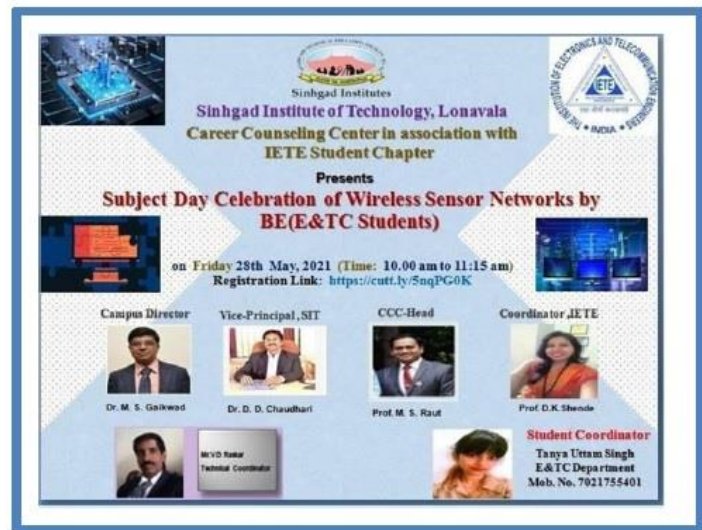

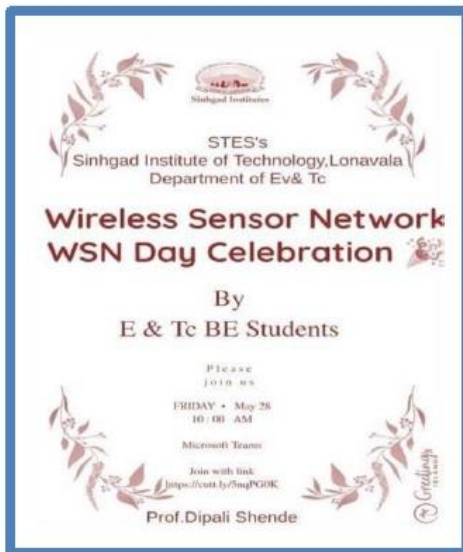

The event was conducted in online mode, and also broadcasted live on Facebook.

Sr. No.	Time	Activity Details
1	11:00AM	Welcome speech by Miss.Piyusha Kadam and intro of Guest
2	11:05AM-11:10AM	Principal Dr.M.S.Gaikwad sir wishes for future endeavours.
3	11:10AM-11:15AM	VP Dr.D.D.Choudhari sir gave best wishes to students.
4	11:15AM-11:20AM	HOD Prof.Rakesh Badodekar sir welcome guests, gave best wishes to pass out students and appreciates infosit for farewell event.
5	11:20AM-11:30AM	Mr.Sumeet Bandewar, pass out student shared his experience
6	11:30AM-11:45AM	Video slides of placed students.
7	11:45AM-11:55AM	Musical Fishpond 1
8	11:55AM-12:10PM	Guest Dr.J.D.Desai sir talked over important of AI and memories of student from campus.
9	12:10PM-12:25PM	IT dept faculty, Prof.Ghodichor sir, Prof.Ahire ma'am wishes best luck to students.
10	12:25PM-12:45PM	Farewell clip, song by TE student Atul Prashant and Games.
11	12:45PM-1:10PM	Game : Belongings and musical fishpond 2
12	1:10PM-1:20PM	Game : your true friend and musical fishpond 3
13	1:20PM-1:10PM	virtual Farewell Award Ceremony for all BE students
14	1:10PM-1:15PM	Special Awards by Prof.A.P.Kulkarni ma'am

**Department of Information Technology**

		1) Best Academic Student:Pratiksha Sawant 2) Best Outgoing Student: Rohan Sirsurwal
15	1:15PM-1:30PM	Pass out students shared their memories.
16	1:30PM-1:35PM	Vote of thanks by President of Infosit club Mr.Ujwal Gupta.

The event “ **FAREWELL PARTY FOR BATCH 2021**” organized by “**INFOSIT FORUM**” of Information Technology Department was started at **11:00 AM** on **19/06/2021 Saturday**. The event was organized online on **Microsoft Teams** .

In the event, firstly student co-ordinator welcomed Guests, Teachers staff and Student present for the event. after this, **Dr M. S. Gaikwad , Director STES lonavla and principal SIT lonavala** and **Dr. D. D. Chaudhari , Vice principal SIT lonavala** gave best wishes to BE students. HOD Prof.Rakesh Badodekar sir welcome guests, gave best wishes to passout students and appreciates infosit for this event. Guest **Mr.Sumeet Bandewar**, passout student shared his experience to us.

After this videos of placed student were played and musical fishpond 1 happened.Later Guest **Dr.J.D.Desai sir** talked over important of AI and the memories of student from campus. Then faculty of IT dept wishes students for future. After this **Farewell clip- journey of students** were played, song by TE student and **Games: belongings and your true friend** were conducted for BE students and then **musical fishpond 2 & 3** happened. Later virtual **Award Ceremony** happened for all BE students and Special Awards given by **Prof.A.P.Kulkarni ma'am** for **Best Academic student** and **Best Outgoing Student**.

Lastly ,BE students shared their **memories** and Vote of thanks given by President of Infosit club Mr.Ujwal Gupta . This event was concluded at **1:35 PM**.

<b>Short Summary of the Event</b>	<b>:-</b>

Sr. No.	Time	Activity Details
1	2:00PM	Welcome for chief guest,vice principal,all staff and student by vaishnavi and akash
2	2:02PM	Engineers Day Speech by vaishnavi and akash.
3	2.10PM-2:12	Introduction of Bussiness Club by President-manoj bodke CEO- Srinivas Mogapar
4	2.12PM -2:13	Inauguration of business club by guest Sahil Khanna
5	2:13PM-2:30	Speech by Sahil Khanna on his work and Engineers day.
6	2:30PM-2:35PM	Vice principal Dr.D.D. Chaudhari Speech on engineer day.
7	2.35PM -2.438PM	Brief About IT Dept And Business Club by HOD Prof. Rakesh Badodekar sir.
8	2:40PM to 2:42PM	Song by Avinash Bangar.
9	2:43PM-2:45PM	Poetry By Teja Puri
11	2:45 Pm-3PM	Interactive session by Student and Chief Guest Sahil Khanna
12	3:PM- 3:03	Present engineers' day PPT
13	3:03PM-3:10PM	Vote Of thanks

The event “**Online Engineers Day2020**” organized by Information Technology Department was started at **2:00 PM** on **15/09/2020 Tuesday**. The event was organized online on **Google Meet**. The **total no of participants** were **73**.

---

The Honor of Guest Mr.Sahil Khanna An YouTuber Owning Three Youtube channel, **Founder Of Lapas.com** a Digital Marketing Institute And Company About his Subscriber is **7.7lakh people Across the Globe,&he is also an Chemical Engineer**. Guest was welcomed by **S.B.Ware and student coordinator**. This event was coordinated by **Prof. S.B.Ware**. This event was concluded at **3:15 PM**.

In the event, firstly Faculty **Prof.S.B.ware** welcomed all Guest and Student present for the event.

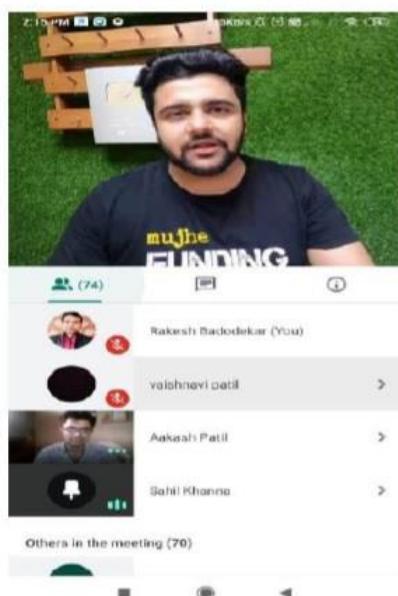

Later Guest **Mr.sahil Khanna Inaugrate The Bussiness Club** & gave Speech By Engineers Day And his Profession then Principal **Dr.D.D.Chaudhary sir** gave speech on Enginners Day, And Also **HOD Prof.R.S.Badodekar** gave speech on brief about IT department and activities taken in department & Bussiness Club .

Mainly Guests and Princiapl Sir knowledge on their experiences in their working area and also interacted with students for giving guidance for higher education and career in Future.

Then The Song Presenting On Own Voice **Mr.Avinash bangar**

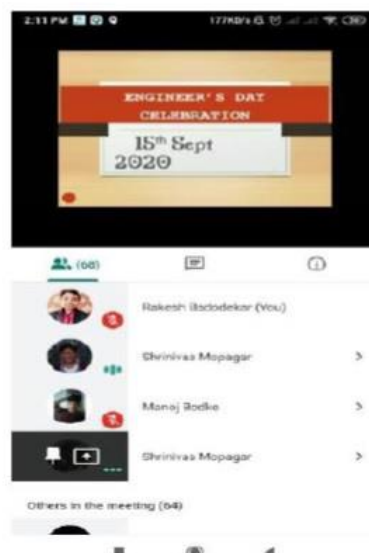

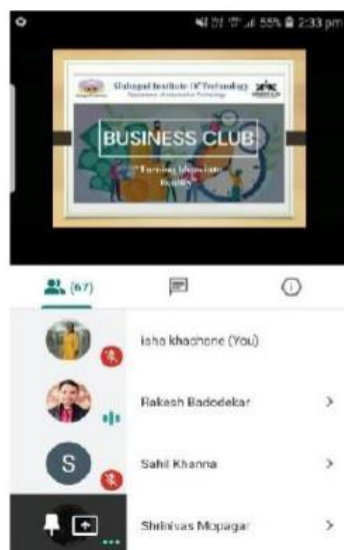

Then own written Poetry was shared by one of the Student **Mr.Tejas Puri** .

1	3:00PM to 3:10PM	<b>Welcome at the Department&amp; Inauguration:</b> Virtual Lamp Lighting.
2	3:10PM to 3:20PM	<b>Speech of the Guest, Campus Director of STES &amp; Principal of SIT, Lonavala:</b> Dr. M. S. Gaikwad
3	3:20PM to 3:30PM	<b>Speech of the Guest, Principal of Smt. Geeta D. Tatkare Polytechnic:</b> Prof. Vipul Masal
4	3:30PM to 3:40PM	<b>Speech of the Guest, Vice Principal of Abit Shendre, Satara:</b> Prof. Rajendra Nalawade
5	3:40PM to 3:50PM	<b>Speech of the Guest, Vice Principal of SIT, Lonavala :</b> Dr. D. D. Chaudhary
6	3.50PM to 3.55PM	<b>Speech of Head of IT department SIT, Lonavala :</b> Prof. R.S. Badodekar
7	3:55PM to 4.00PM	<b>Introduction to Faculty of Department of Information Technology :</b> Power Point Presentation.
8	4.00PM to 4:10PM	<b>Introduction of INFOSIT Forum Members:</b> Speech by the INOSIT Forum Faculty In-charge: Prof. K. S. Karnekar Introduction of new members of team for new academic year.
9	4:10PM to 4:15PM	<b>Journey of INFOSIT Team and Past Activities :</b> Power Point Presentation
10	4:15PM to 4:20PM	<b>Felicitation of teachers and speech by them</b>
11	4:20PM to 4:30PM	<b>Felicitation of Rankers</b>
12	4:30PM to 4:45PM	<b>Student Activities :</b> Performances as a tribute to teachers.
13	4:45PM to 4:55PM	<b>Games for teachers and Guests:</b> 1. Covid-19 quiz 2. Movie name guessing quiz : Using emojis and dialogues
14	4:55PM to 5:00PM	<b>Vote of Thanks:</b> By the President of INFOSIT Mr. Ujwal Gupta.

The event “**Teachers Day Celebration 2020**” organized by Information Technology Department was started at **3:00 PM** on **5/09/2020 Saturday**. The event was organized online on **Google Meet**. The **total no of participants** were **70..**

The Honor of Guest were **Prof. Vipul Masal** (Principal of Smt. Geeta D Tatkare Polytechnic), **Mr. Rajendra Nalawade**(Vice Principal of Abit, Shendre Satara), **Dr.M.S. Gaikwad** (Campus Director of SIT,Lonavala), **Dr.D.D. Chaudhary** (Vice Principal of SIT,lonavala). Guest were welcomed by **Prof.K.S Karnekar** and **student coordinator**. This event was coordinated by **Prof.K.S. Karnekar**. This event was concluded at **5:00 PM**.

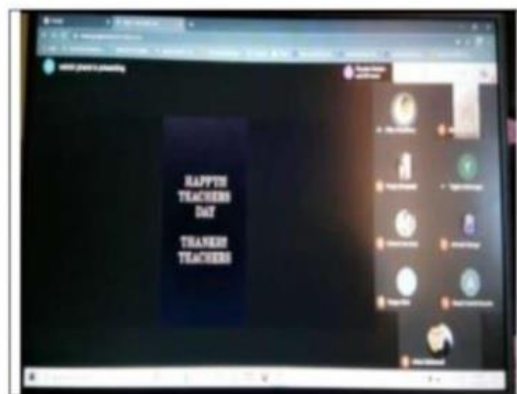

Firstly the event Started with the Virtual lamp lightning , then Principal **Dr.M.S.Gaikwad** welcomed all Guest and students present for the event. Later **Prof. Vipul Masal, Prof. Rajendra Nalawade, Dr.D.D. Chaudhary** gave speech and they shared their views and experiences on Teachers day then **HOD Prof.R.S.Badodekar** gave speech on brief about IT department and activities taken in department .

After this all the Faculty members were introduced with the help of power point presentation. Then **Prof.K.S.Karnekar**(INFOSIT Faculty In-charge) gave Speech on **INFOSIT**. After that all **INFOSIT** members were introduced and Journey of **INFOSIT** and its Past Activities were Shown with the help of Power Point Presentation. Then teachers were felicitated and simultaneously they shared their thoughts . Then all the rank holder from the IT department were felicitated.

After a while, students performed songs and poetries as a tribute to teachers. And then games were conducted for teachers which included Covid-19 quiz, just to make everyone aware of the Pandemic and a Movie name guessing quiz. At the End Vote of thanks was given by the President of **INFOSIT** Mr. Ujwal Gupta. All in all, it was an eventful day which was enjoyed equally by teachers and students.

## FE Induction Program

### Day 1 Friday, 29/01/2021 & Day 2 Saturday, 30/01/2021

The Competent Authority DTE had conducted total three rounds of **Centralized Admission Process (CAP)**. The CAP was consisting of central allotment wherein eligible candidates filled separate online option forms for respective rounds. In order to be eligible for the CAP round, a student needed to go through the document verification process at a **Facilitation Centre (FC)**. As the whole facing the pandemic of Covid -19 Corona-virus, the authority decided to go with online facilitation centre process. The safety of students has given highest priority.

Candidates were required to upload all original certificates at the facilitation centre for verification and confirmation of application for getting the receipt-cum acknowledgement duly signed by facilitation centre coordinator. The FC used to function every day from **10.30 am to 05.30 pm**. The facilitation centers were spread all over Maharashtra for the smooth functioning of admission activity. **Sinhgad Institute of Technology (SIT), Lonavala** was one of the facilitation centers. More than **300** students filled the online forms through the FC of SIT.

**Dr. P. S. Patil** and **Prof. S. L. Mhetre** were the coordinators of the FC. After CAP round I, the students have reported to the institute from **14/01/2021 to 20/01/2021**. The CAP round II was from **27/01/2021 to 30/01/2021**. After subsequent CAP rounds, reported students were intimated about the **“One Week Induction Program”**. Also, we had created awareness about the importance of the induction program among the students. Since the last date of CAP round I till this date, the activities namely the hostel admission and allotment of rooms were simultaneously conducted. Till this date more than **300** students have reported to the institute.

*Glimpses of the FE Induction Program*

*Glimpses of The FE Induction Program*

The hostel warden **Mr. Rajendra Jagtap** interacted with the **First year Engineering (FE)** students and enlightened many points about the life at hostel. He emphasized that the hostels are situated close to the institute. Thus, the teachers have direct watch and supervision on the students. The hostel life is a disciplined life. It teaches them a sense of responsibility in matters of taking care of books, clothes and health. Students do all the works with their own hands. Thus, they become self-dependent. They try to adjust themselves in all kinds of situations. The students in hostels feel that they are not alone. A hostel is like a family of students with the superintendent as the head. Students develop a sense of friendship and fellow feeling. They read, play, dine and sit together. In hostel, students exchange their books. Thus, they do not need to buy books. Further, reading in company is more helpful to them than reading alone. All FE students got motivated by these inspirational and motivational words by Mr. Rajendra Jagtap. The Hostel Card, Mess Card, Identity Card and Library Card were issued to the students on the same day.

SIT, Lonavala is a residential campus. Hence, the students can take benefit and help of the teaching faculty members residing on the campus. Keeping the above view in mind, the **Teacher Guardian (TG)** faculty members of FE interacted with the students to discuss many points such as rules and regulations to be followed at the hostel and during college hours. TG faculty members had done a pioneering work to bring the students down from the sort of excited state to the comfortable state of mind. The FE students were looking motivated and happy to attend the regular phase of FE Induction Program starting from **Monday, 01/02/2021**.

## Regular Phase: Institute level e-Induction Program

### Day 3: Monday, 01/02/2021

The First Year Engineering e-Induction Program, regular phase was started from 1<sup>st</sup> February 2021. In the world wide pandemic of covid this induction program taken place by taking all precautions. Due to this online induction program was planned. For conduction of induction program the high quality Microsoft teams application were used. Continuous efforts have been taken by all technical supporting team. Each and every admitted students has allotted with unique online id and password. Information regarding induction programs and all notices were circulated by using whats app. All students and parents were invited for induction program. Links of session were send on whats app groups. Separate technical team formed for solving problem related to login and joining session.

*Glimpse of the FE Induction*

Link of online session were shared with students prior to session. Induction Program began on 11:00 am. Inauguration program was organized by First year department. The program is inaugurated on 11:00 am by the Principal Dr. M. S. Gaikwad. Principal of the college interacted with students by giving information about the Story of Sinhgad establishment, the campus facilities and college activities. Sir guided students about how to build bright career in engineering. He emphasised about the facilities provided by college for curricular as well as extra-curricular growth of budding engineers. He assured parents about the academic progress students.

*Address by Hon.Principal Sir*

*Address by Vice Principal Sir*

Vice Principle Dr. D. D.Choudhary addressed the session and interacted with parents and students. He highlighted about the infrastructure of college. Various programs run by college for betterment of students. He had given the insights of STP programs, Sinhgadkarandak, Surabhiprogram. He also informed students about the sports facilities provided by college.

Head of the department of the first year Dr.P.S.Patil addressed the students. The presentation include, glimpse of STES, detail information about Sinhgad Institute of technology (SIT) followed by complete information of First Year (FE) working. The FE information included course structure, university examination pattern, internal examination, continuous assessment, Student Training Program (STP), Sinhgad Students Council (SSC), Sinhgad Oversees Cell (SOC), Campus life, and various facilities available in campus. He told about the syllabus of all subjects; course objectives, In-sem and End-sem exam pattern, marking system and passing criteria, he also told

about practical knowledge getting from each subject. He told the importance of the first year in future years of engineering. Parents felt safe and secure by sir introducing Teacher-Guardian Scheme which is run by our college in this scheme a teacher will be appointed as a Guardian for 20 students who will take care of the students about academics and other and report to their parents. After our HOD's address, parents feel very comfortable with this college.

*Address by FE HOD*

*Presentation by FE HOD*

The program was concluded by vote of thanks. All above activities finished at 1:00 pm. Students were informed about tomorrow's session and first day activities completed

**Day 4: Tuesday, 02/02/2021****IEEE Session**

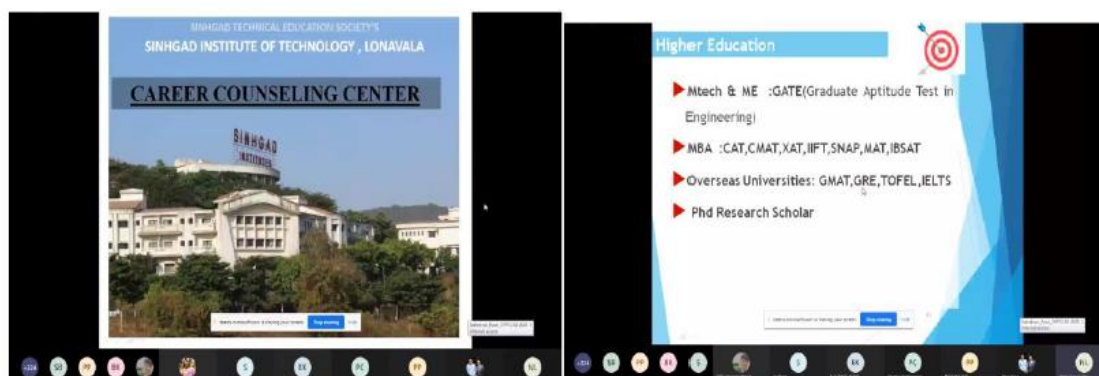

On the fourth day, electronics and telecommunication department has organized first session under the guidance of Prof. Baste madam at 10.30 am. The presentation was given by the TE and BE students where they have introduced the FE students with IEEE program. They explained the history, importance and various events of IEEE which they are having in academic year.

*Glimpses of Lecture by IEEE students*

**Career Counselling Session**

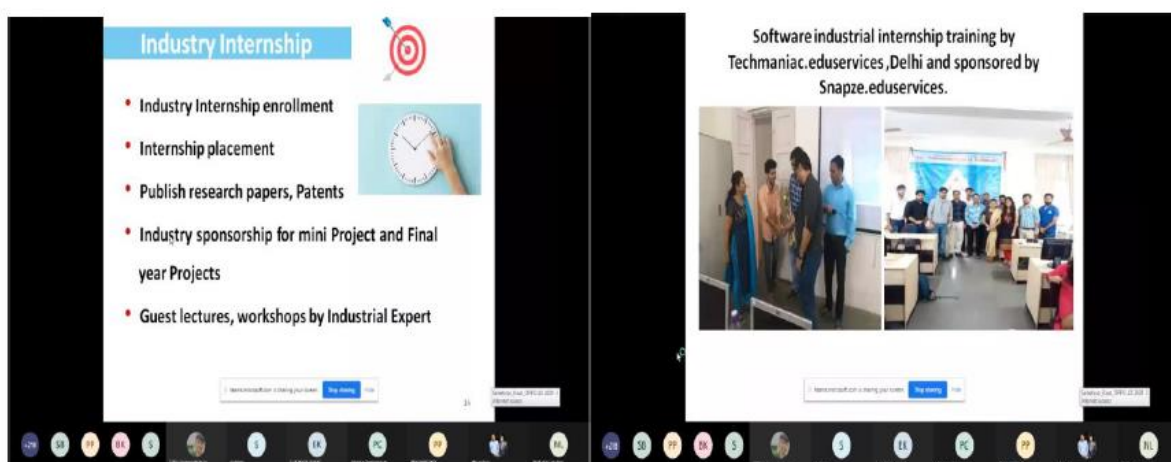

The second session was delivered at 11.30 am by coordinator of Career Counseling center, Prof. M. S. Raut sir. He gave detailed explanation of the importance and benefits of this center to students. He also provided the information about working of various cells like competitive exams, industry internship, higher education, foreign language, entrepreneurship, alumni interaction etc in detail for better understanding of students as this is the completely new field for the FE students. He also tried to counsel students about the work culture and schedule they should adopt if they want to engage in multiple tasks along with regular studies.

*Glimpses of Career Counselling session*

## TPO Address

The third session at 12.30 pm was addressed by Training and Placement Officer Prof. N. N. Pachpore sir. During this session he has given complete idea about central placement procedure, eligibility criteria, list of multinational and national companies with good package that visit college during campus placement because newly joined students are eager to know about these procedures and have lot of doubts about it. He made the students aware about various activities performed like, how to face the interview, different technical training programs for the students from SE to BE to prepare them for facing interview and placement. In addition to these trainings, various programs run under his guidance are designing own resume, e-club, soft skill training, JAWA programming, challenges and expectations of industries. Along with above said programs according to Prof. Pachpore sir, college is also arranging training programs with the help of companies like aspiring minds to face online pre-placement preparation. According to him, college has tie-up with industries like Zensar, Accenture, TCS, Cognizant, Persistent etc for industrial visits so that students can understand work culture in such professional companies. College also arranges various employability tests like Mcad, CCSP, QLR, Smart India etc for practice of students as well as to boost their confidence level. Students enjoyed this session a lot as the topic was more of their concern.

*Glimpses of session by TPO Prof. N. N. Pachpore*

## Virtual Campus Tour

At the end of the day four at 1.00 pm a virtual tour of campus was arranged for the students. The video of which was prepared by Prof. S. S. Sasane, physics faculty of Engineering Sciences Department. Students were very excited to see the actual campus after watching this video.

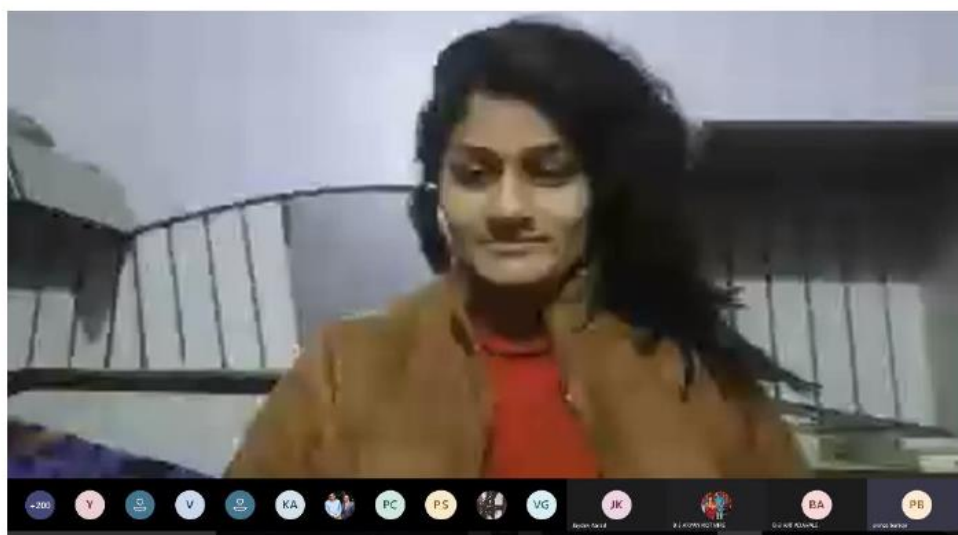

*Glimpses of Virtual campus tour*

**Day 5: Wednesday, 03/02/2021****Soft Skill Development**

The first session of fifth day of First Year Engineering Induction Program was started at 10.30 am by Ms. ShubhraMotgill, Sr. Digital Marketing Associate @ Radix Web solution, Pune. The thought of utilizing time during the induction program to overcome students' lack of confidence due deficiency in English Communication, inspired us for this session. Very nicely Ms. Shubhra, who is alumni of this college, explained the importance of overall personality development along with studies. She has tried to explain the importance of communication skill and various soft skills in future as these skills helps to improve overall personality and boosts self confidence. She insisted students to read good English books for reducing grammatical mistakes and enhancing communication skill.

*Glimpses of session on Soft skill development*

**Importance of Add-on Courses**

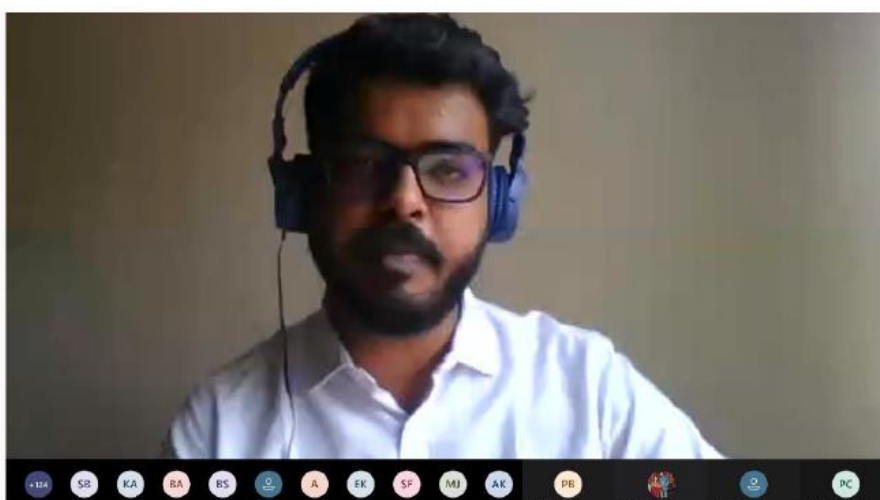

The second session started at 11.30 am on Importance of Add-on Courses by Mr. KaushikMohanraj Director of Operations @ Blazeclan Technologies, Malaysia. In brief he explained importance of value addition program along with regular curriculum. He focused students' attention on programs like Erasmus-Mundus Scholarship and shared his life experiences that how this program changed his life perspective. Students have appreciated the information shared by him.

*Glimpses of session on Importance of Add-on Courses*

### **Opportunities for Engineers in next decade**

The last session of day 5 started at 12.00 pm on Opportunities for Engineers in next decade by Mr. Ashish Kulkarni Consultant @ Hitachi Vantara, Pune. He has tried to clear students doubts like why to do engineering, Is engineering difficult, how engineers are different etc. He has convinced students that they should take this field as a challenge and love this profession because as per human psychology, if you like something you will do it on your own like playing video game. He also emphasized students to take benefit of various clubs running in the college and told the importance of taking part in various clubs. At the end of his session he has shown demo of creating linklidl profile, explained advantages of such profile and requested students to open their own linklidl profile.

*Glimpses of session on Opportunities for Engineers in next decade*

**Day 6: Thursday, 04/02/2021**

## Familiarization with Departments

### Familiarization with Electronics & Telecommunication Engineering

Schedule of day six started at 11.00 am. On this day we planned to familiarize all the students with different departments. Initially our vice-principal and Head of Electronics and Telecommunication Dr. D. D. Chaudhary, introduced his department to the newly joined students. He made the students aware about mission, vision, short term goals and long term goals of the institute as well as about the department. He discussed the strengths of his department and future opportunities of the course with the students. He has advised the students to fully utilize the inputs given by faculties to impart better learning methodology.

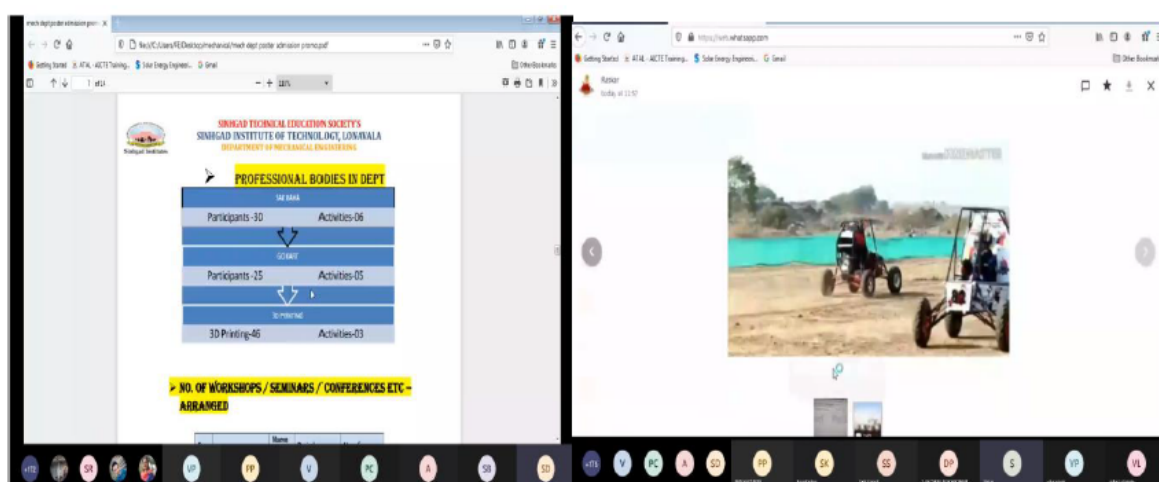

*Address by HOD EnTC*

## Familiarization with Electronics & Telecommunication Engineering Department

At 11.15 am students were introduced with Mechanical Department by HOD Prof. S. M. Gaikwad. He made the students aware about the various sub branches as well as applications of Mechanical Engineering. He gave the overview of various curricular and non-curricular activities done in last three years, to hold students interest.

*Address by HOD Mechanical Engg.*

## Familiarization with Electrical Engineering Department

At 11.30 am HOD of Electrical Department Dr. A. A. Kalage, explained students about the way they are running the course and future opportunities of the course. As the department has MoU signed with MSCBL Maharashtra State distribution Company, he explained the benefits of it to the students. To encourage the students he introduced previous year's ranker students along with their recent working areas.

## Familiarization with Computer Engineering Department

Next session was handed over to Dr. S. D. Babar, HOD Computer Department. Along with introduction of department, he explained about the qualities that a computer engineer should have to become a successful engineer. To show the fresher students, the confidence level they need to develop in next four years journey, he asked one of the BE students to give presentation on various clubs and activities they are running, which are completely owned by them.

*Address by HOD ComputerEngg.*

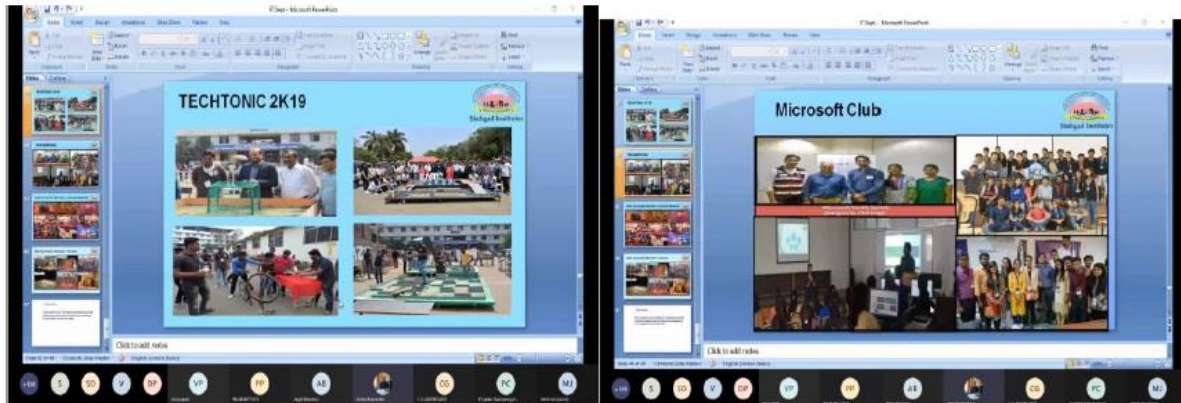

## Familiarization with Information and Technology Department

At 12.00 pm along with introduction of department, Prof. R. S. Badodekar, HOD of Information and Technology has discussed the short term and long term goals of the department. He also told the students about his expectations from them to meet these goals. With the help of senior students this department has planned some activities to entertain as well as to make the students feel free, which they enjoyed a lot. Students were well informed about various softwares present in the dept and the training programs they are conducting from SE to BE. He made students aware about various multinational companies with which department have signed MoUs and benefits of it in future. The department has kept a session of Mr. Saurav Kumar who is alumni from E & TC dept. of SIT, was also a member of IETE club and ex vice president of IETE chapter during college days. Currently he is working as Java developer at Cognizant. He explained students' importance of taking part in various clubs and proactive participation in academic as well as non academic activities for grooming the overall personality.

*Address by HOD IT Dept.*

*Address by HOD IT Dept.*

After introduction of departments students of IEEE student chapter have organized a brainstorming quiz competition for FE students under the guidance of Prof. Baste Madam which they enjoyed a lot.

### Day 7: Friday, 05/02/2021

#### **Out of box thinking (Project based learning approach)**

First session of day seven started at 10.45 am with the address of Dr. M. S. Chaudhari, Associate Professor in Computer Department. Very nicely he explained how project based learning helps to improve out of box thinking among the students, why there is need to change the teaching methodology, benefits of PBL over traditional teaching, etc. Then he covered the topics like different steps used to solve any problem, as it is a group activity, how to decide the role of each student during problem solving in group, various issues that need to be considered during preparing students for PBL, various skills that students need to solve the problem, tutors role in PBL. To boost students confidence and built their interest he has shown some projects done under PBL. Students have given very good response to this session.

**PBL**

- Problem-Based Learning/Project-based Learning (PBL) is a teaching methodology based on "learning by doing" in which skills and attitudes are developed especially, and in which knowledge is acquired as a consequence of action.
- Usually the project is tackled as a team, which allows, in addition to the skills of the subject, to acquire transversal skills related to group work.

**Traditional Learning**

Tell what we need to know → Memorize it → Problem assigned to illustrate how to use it

**Problem-Based Learning**

Problem assigned → Identify what we need to know → Learn to apply to solve the problem

**Preparing Students for PBL**

Issues that need to be considered when preparing students for PBL

- Change of mindset
- Commitment
- Inquiry Learning
- Making thinking visible
- Information literacy
- Team or group work
- Interpersonal skills
- Team leadership skills
- Learning skills
- Metacognitive skills
- Reflection skills

**Tutors Role in Project Based Learning**

Designing Problem

- Tutors are not the source of solutions rather they act as the facilitator and mentor.
- Considering the prior knowledge of the students, their ability and creativity, problem statement should be designed.
- Problems should not be over simplified or well defined.
- The problems given to students in PBL should be realistic, complex, and should reflect, as much as possible, the actual problems that students would encounter in real life.

**Architecture Diagram**

Mobile Connection → Gateway → Control Administration → GPS → Computer Unit

Computer Unit: GPS, Map with Coordinates of Traffic Lights, Radio, Data Card

Fig. Architecture Diagram

*Glimpses of session by Dr. M. S. Chaudhari,*

## How to take back control of your life? (Motivational Lecture)

The second session started at 12.00 pm by Prof. D. S. Ghodke, who is currently working in Mechanical department, on the topic "How to take back control of your life?". He included short stories with moral and lots of real life examples to motivate the students. On the basis of his lecture he made the students realize that they can achieve everything in their life if they wish to. He kept the students connected throughout the session as he was teaching the students life lessons through the stories and short clips from the movies. Students experienced energetic and fully motivated after this session.

*Glimpses of session by Prof. D. S. Ghodke*

### **Valedictory and feedback**

At the end the Co-coordinator of this induction program Prof. N. A. Shete, Assistant Professor in Engineering Sciences Department, gave the valedictory speech. He acknowledged the higher authority and thanked all the supportive staff members who have helped him in making this program successful. He asked students to fill online feedback form to see the loopholes for improving the future induction program.

### **Physical Activity (Yoga)**

In the regular Induction programs daily routine starts with physical activity Yoga at morning sessions. Due to online program it is not possible to conduct yoga and physical activity session. After two weeks of online induction program state government gives permission for physical conduction of classes with some protocol. So we planned some outdoor activities for students. So on 19 February 2021 we conducted the Yoga session in morning and Chhatrapati Shivaji Maharaj Jayanti celebration and telecast movie Tanhaji: The Unsung Warrior

on 20 February 2021 trekking activity was planned. As per schedule we conducted yoga session and breathing exercises, this taken place in open atmosphere.

*Yoga session and breathing exercises*

### Report of Chhatrapati Shivaji Maharaj Jayanti Day Activities

Chhatrapati Shivaji Maharaj Jayanti is the birth anniversary of Maratha king Shivaji Maharaj. Shivaji Jayanti is celebrated on February 19 every year in honour of the founder of the Maratha Kingdom. This year marks the 391 birth anniversary of the great Maratha. Chhatrapati Shivaji was one of the bravest, progressive and sensible monarchs of India. Shivaji Jayanti is mainly a Maharashtrian holiday celebrated as a festival. A public holiday in the state is observed on this

day. The day is usually celebrated with much enthusiasm and pride, people organise cultural programs but we celebrated this occasion with limited students and faculty members with following Covid-19 guidelines to avoid the outbreak of the coronavirus. Staff members of SIT and SKNSITS jointly organized this program at SKNSITS Lonavala. Staff members and students done the puja of Statue of Shivaji Maharaj .After this the movie telecast show of historical movie *Tanhaji: The Unsung Warrior* was organised for students. Students watched this movie and taken the lesson of patriotism and bravery.

*Glimpse of Chhatrapati Shivaji Maharaj Jayanti celebration*

*Glimpse of Tanhaji: The Unsung Warrior Telecast*

## Outdoor Activity Trekking

The last year everybody has to compulsory stay at home due to country wide lockdown. But in present situation physically classes have started we conducted yoga session for students but students demanding to go for some outdoor activities. We also respect students demand and decided to go for trekking near college area with social distancing and other safety measures.

*Glimpse of Trekking*

Benefits of outdoor trekking activities

- Preparing the Students of the club to face the challenges of life.
- Improving the physical condition of the Students and keeping them fit for their routine activities.
- Creating the sense of responsibility, patience and tolerance in the Students who can create the same in society in general.
- Enabling the trekkers to adjust themselves in new environment with unforeseen eventualities.
- Enhancing the skills of the Students by learning different activities during their treks and the skill thus learned/developed can be applied in their day-to-day life.
- Giving Students the opportunities to explore nature and be part of it.
- Educating the Students about the purity of nature. They get the chance to see how pure and pollution-free the world has been created and how responsible man has been for not keeping it

pure. With such knowledge the Students realize their responsibility and would naturally do their utmost to keep the environment around them clean and teach others to do the same.

- Undertaking hard treks gives boost to the moral, and will-power of the trekkers which goes a long way in helping them face hard times of their life with patience and perseverance.
- Improving the verbal/linguistic, interpersonal, intra-personal, boldly kinesthetic and naturalist intelligence of the Students.

*Glimpse of Trekking*

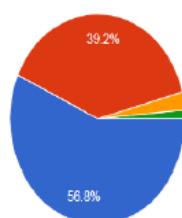

## Feedback

To understand whether the various sessions conducted during the one week online induction program were well received by the students or not, we conducted a feedback session after completion of program. Maximum students have appreciated our efforts through their remarks in feedback. Majority of the students liked the campus ambience, movie, trekking as well as morning Yoga sessions, because of these activities they became more familiarize with the surrounding, which helped them to cope up with the home sickness that they were feeling initially.

The feedback received from the students is shown below in the form of pie chart. Here we have summarized the information received by the studentson four criteria: Excellent, Good, Satisfactory and Needs Improvement.

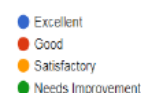

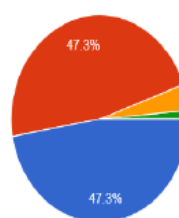

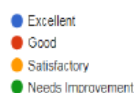

Campus ambience and facility

74 responses

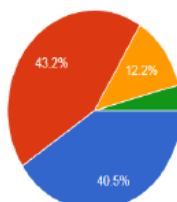

Planning and execution of events

74 responses

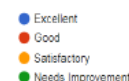

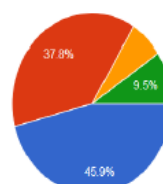

Effective time utilization

74 responses

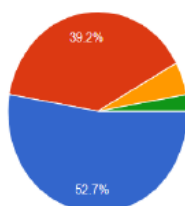

Use of Microsoft teams forum for the sessions

74 responses

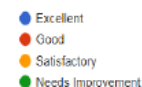

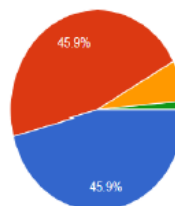

Awareness about social activities

74 responses

Online interaction with staff

74 responses

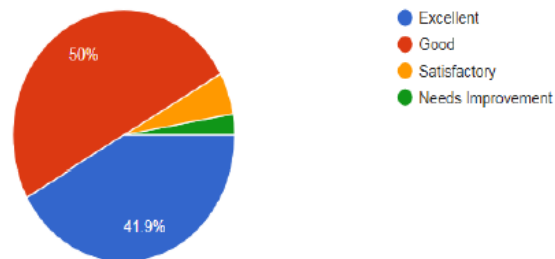

On the basis of comments in the feedback form we observed that, the students have appreciated for the informative sessions like IEEE and Carrier counseling session, address regarding future

scope and placement by training and placement officer, Soft Skill Development, Importance of Add-on Courses, Opportunities for Engineers in next decade, Out of box thinking (Project based learning approach), Motivational Lecture on how to take back control of your life?, given by experts. They also enjoyed the virtual tour of the beautiful college campus.

Overall rating of the program on the basis of information and usefulness

74 responses

As per overall feedback, students have appreciated our efforts in conducting such informative and educative program. The second very important thing that students liked the most was the experiences shared by alumni. Some of the comments from online feedback are shared here.

- Opportunities of engineers in next decades by Sir Ashish kulkarni because the session gave positive attitude towards the updating technologies.
- The way of how we should improve our skills and develop ourselves in our life to be a good human being was useful to me.
- Project based learning, because it develops the child's ability to work with his or her peers, building teamwork and group skills.
- Interaction with alumni of the institute because after listening them I felt that if I do good in studies and other activities I will have a great life in future
- Session about the communication skills was very informative because I was very shy to talk and I have stage fear too. But after this session... I think it have boosted my confidence.... and the intro of every streams was very good enough
- Every activity of the program was good at its motive but what I liked the most was the Importance of add on courses. This told how we could stand out from the regular engineer crowd by having this advantage.
- Sharing total experiences of college life by our seniors and motivational word by faculty members.
- I found almost all the activities such as softskills learning, group work importance , guidelines about coding and further management and awareness about learning different

foreign languages due to corporate work and placements and etc ; useful for educational purposes.

- Interaction with alumni....As we came to know what all things are necessary in campus life and preparation for future.
- Soft skill development because it gave us confidence
- Career guidance because I know that what future in engineering
- Sinhgad marathon race and yoga for social awareness about our health and physical fitness because "BEST HEALTH TO MAKE BEST ENGINEERS IS NECESSARY".
- Students suggested some points for next induction session
- There should be more interaction with teaching faculty so that it will enhance familiarization with the upcoming subjects and also makes a bond between teacher and students.
- I think that our induction program was sufficient for everyone but I would like that event about physical and personality development should be given more time.
- Arrange more motivational programs.
- I would like added in induction program is the any company owner speech is added in induction program.
- Just add hindi language
- Induction program should not be conducted online.

  
Dr. M. S. GAIKWAD  
PRINCIPAL  
Sinhgad Institute Of Technology, Lonavala

## Annexure I

Induction Program Detailed Schedule A.Y.-2020-2021 Sem-1		
Initial Phase		
Day 1 Friday, 29/01/2021		
09.00 - 01.00	Reporting of Students, Online confirmation of admission, Issue of Roll Call	
01.00 -02.00	Lunch break	
02.00 - 05.00	Students Data Collection, Parents/Students Counselling for importance of Regular and Closing phase of Induction Program.	
Day 2 Saturday, 30/01/2021		
09.00 - 01.00	Reporting of Students, Online confirmation of admission, Issue of Roll Call	
01.00 -02.00	Lunch break	
02.00 - 05.00	Students Data Collection, Parents/Students Counselling for importance of Regular and Closing phase of Induction Program.	
Regular Phase		
Day 3 Monday, 01/02/2021		
Time	Topic	Eminent Speaker/Presenter
11.00am – 11.10am	Inauguration	Dr. M. S. Gaikwad
11.10am – 11.20am	Introduction	Prof. P. R. Chakranarayan
11.20am – 11.40am	Principal Address	Dr. M. S. Gaikwad

11.40am – 11.50am	Vice-Principal Address	Dr. D. D. Chaudhary
11.50am – 12.00pm	Career Counselling Centre	Prof. M. S. Raut
12.00pm – 12.30pm	FE HOD Presentation	Dr. P. S. Patil
12.30pm – 12.35pm	Vote of Thanks	Prof. P. R. Chakranarayan
Day 4 Tuesday, 02/02/2021		
10.30am – 11.30am	IEEE Session	IEEE Students Chapter
11.30am – 12.30pm	Career Counselling Session	Prof. M. S. Raut
12.30pm – 01.00pm	TPO Address	Prof. N. N. Pachpore
01.00pm – 01.15pm	Virtual Campus Tour	Prof. S. B. Sasane
Day 5 Wednesday, 03/02/2021		
10.30am-11.30am	Soft Skill Development Ms. ShubhraMotgillSr. Digital Marketing Associate @ Radix Web solution, Pune.	
11.30am-12.00pm	Importance of Add-on Courses Mr. KaushikMohanraj Director of Operations @ Blazeclan Technologies, Malaysia.	
12.00pm-01.00pm	Opportunities for Engineers in next decade Mr. Ashish Kulkarni Consultant @Hitachi Vantara, Pune.	
Day 6 Thursday, 04/02/2021		
Familiarization with Departments		
Time	Department	Head of Departments
11.00am-11.15am	Electronics & Telecommunication Engineering	Dr. D. D. Chaudhary

11.15am-11.30am	Mechanical Engineering	Prof. S. M. Gaikwad
11.30am-11.45am	Electrical Engineering	Dr. A. A. Kalage
11.45am-12.00pm	Computer Engineering	Dr. S. D. Babar
12.0pm-12.15pm	Information Technology	Prof. R. S. Badodekar
Time	Topic	Presenter
12.15pm-01.00pm	Quiz Competition	IEEE Students Chapter
Day 7 Friday, 05/02/2021		
10.45am-12.00pm	Out of box thinking (Project based learning approach)	Dr. M. S. Chaudhari
12.00pm-12.30pm	How to take back control of your life? (Motivational Lecture )	Prof. D. S. Ghodke
12.30pm-01.00pm	Valedictory and feedback	Mr. N. A. Shete
Day 8 Friday 19/02/2021		
06.00am to 07.00am	Yoga and Exercise	Prof. S. A. Bhad Prof. R. N. Kamble Prof. M. S. Shinde
09:00am to 12:00pm	Motivational Movie	Prof. S. B. Patil Prof. S. G. Dabade Mr. S. S. Pise
Day 9 20/02/2021 (Saturday)		
07:00am -10:00am	Visit to nearby places (Golf Ground Trek)	Prof. S. A. Bhad Prof. R. N. Kamble Prof. S. D. Shinde
