Dear Prof. Nishant Pachpor,

Congratulations!

You have successfully registered 1820 students in total from your college on Internshala. Now every one of them has their own Internshala account through which they can apply to internships.

As a next step, **please ask your students to verify their registered accounts** by clicking on the verification link sent to their email ids. Only after verifying, the students will be able to apply to the internships of their choice and receive weekly internship updates.

Also, here are a few things you can do to make the most of your college's journey on Internshala:

- **Keep track of your students** - [Log in to your student activity dashboard](#) and view the overall report of your students' internship selections and registrations.
- **Share the quick-start guide** - To help your students make their first internship application on Internshala, we recommend checking out our [quick-start guide](#) and sharing it with your students.
- **Help students secure internships** - Check out the [preparation kit](#) which has a bunch of useful information for your students to help them successfully secure an internship.

Please let me know if you have any questions.

Look forward to a long-lasting association.

Many thanks,
