Respected sir,
How are you? Hope every thing is fine.
We are conducting a webinar series on various trends and technologies for engineering students and teachers.
It will be an honor if you could share your thoughts on any potential topic through a webinar.
Please let me know if it is possible for you to take some time out of your busy schedule and conduct this webinar.
We will be highly delighted if you could do the same.

Also it will be highly regarded if you could suggest some more speakers for this series.
Looking forward to hearing from you.

Thank you with Best Regards.....

Dr. Manohar S. Chaudhari
Associate Professor,
Department of Computer Engineering,
Sinhgad Institute of Technology, Lonavala,
Pune. M.S. (INDIA)

Dear Manohar,

Thank you for this invitation.

I am really quite busy these weeks.

Please give me some more information regarding this webinar – especially time, organization, expected topics, etc.

Afterwards, I will come back regarding the possibility of my participation.

Hope you are doing well in these hard times.

Best Regards

Prof. Vladimir Poulkov
Faculty of Telecommunications
Technical University of Sofia
