Dear Manohar,

Attached the letter regarding the decision of the Faculty Council for your official PhD defense.

Please note that the date is changed to October 9.

It will be better if you can come a few days earlier (2-3 October). I will be away on the 5-7 October so it will be good if we can see us on the 3rd or 4th October.

Please, latest by the end of July, tell us your travel plans so that we can send your invitation for visa on time.

Best Regards
