### Microsoft Campus Club-Introduction

- Microsoft campus club is the medium for students to interact with each other and enhance their technical and non-technical skills. Irrespective of their branch of studies, students from all the academic years have been participating in club activities to develop and boost their skills and abilities. In the club we take technical sessions for coordinators on various technologies that are imperative for them, and will add a skill to their resumes positively helping them at the time of placements and future; and non-technical sessions like social discussions, group discussions are some to add in list.
- Members of Microsoft Campus Club, who are proficient with some or the other technology, deliver technical sessions to student's in Sinhgad institute of technology, Lonavala as well as other college's like SKN SITS, D.Y Patil, and more.

#### Objectives Of Microsoft Campus Club:

1. MCC Club is for students and it is conducted by students so leadership quality will get developed in them.
2. MCC club helps to improve technical and non technical skills of the student.
3. MCC club creates an opportunity for placements.
4. Produce social responsibility projects and make them real.
