

Date: 19th June 2021

TO WHOMEVER IT MAY CONCERN

We are pleased to provide Technical Sponsorship (guidance + technical help) to the project "Autonomous Quadruped Robot" being developed by Mr. Tathagat Kumar and his team, on the grounds of insightful and progressive knowledge.

The Project presented is of keen technical aspects and scope in the field of autonomous robotics, keeping in mind the concept of sustainable technology. The desired application is beneficial to the demands of industry standards.

We wish them all the best.
