SOCIAL CAUSE VISIT TO “SAHYADRI ADIVASI VIKAS PRATISTHAN MANDAL” MANCHAR, KARJAT

Date: 18th September 2019

Description:

The Association of Computer Engineering Students (A.C.E.S) organized a visit to Sahyadri Adivasi Vikas Pratisthan Mandal situated in Manchar, Karjat, Maharashtra. The Sahyadri Adivasi Vikas Pratisthan Mandal is a non - governmental organization which provide proper care and education to mentally challenged children. The NGO visited our campus with a hope of some financial help for their daily needs, for which our teaching staff, Prof. B.L. Dhote, Prof. R.S. Shishupal, Prof. V.N. Dhawas requested the A.C.E.S Club to raise funds for the social cause. The A.C.E.S Club started campaigning and reached every college and department in the Lonavala Campus to raise funds. All the members of the committee were filled with enthusiasm for working for such a social cause. The teaching staff supported the campaign with great enthusiasm and helped

Event attended by TEIT Students and Staff members of Information Technology department

Summary: The department of Information technology has conducted “Social Awareness program” at Snehasadan Orphanage Khandala on 09/04/2018 under the coordination of **Prof.V.P.Tonde and Prof. R.R.Wable** The team reached at the Orphanage around 11:30 AM. The children of Snehasadan were very pleasantly excited to receive the members. The student volunteers greet them with great enthusiasm. There was huge smile on the faces of orphanage children and they were very happy to engage with them. The team members also met the care taker of Snehasadan who was busy in helping the children to do various activities. They distributed snacks and sweets to the children.

The student volunteers interacted with the orphans and single parent children and helped them with their daily exercise. They also engaged them in various sports activities like cricket, football and badminton. All the children looked so excited and joyful. On this occasion lunch was arranged for the children of orphanage

, for this there was contribution from faculty members and students of IT Department. The event was ended with the taste of chocolates and Ice Cream distribution.

The team spent three hours with the children of Snehasadan before saying goodbye to them. It was indeed very satisfying experience for the students as our students could bring smiles on children's faces however for a brief period. Our students and also faculties realized that one must contribute and understand his/her social responsibilities towards society.

Brief Summary about Activity:-

The IETE Student Chapter took an initiative to organize a social activity to SNEHWAN, A RAY OF HOPE in Bhosri, Pune under guidance of IETE Staff in-charge Mrs. Dipali Shende where funds were collected from the whole campus.

Snehwan is a non-profitable organization which was founded in December 2015 by Ashok Deshmane. He built this organization with an aim to create an inclusive learning environment & provide educational empowerment to marginalized children of drought affected farmers or those belong to poor families. It is a movement for those children who are not getting light of learning due to groan turbulence in the surrounding environment.

The bus departed from Lonavala at 12:30pm and IETE members were accompanied by Prof. Mayur Raut & two other staff members. After reaching to the snehwan we played different indoor as well as outdoor games with the children. It was a great time spent with those children which also reminded us about our childhood. This event was grand success.

Funding amount handover.
