Brief Summary about Activity:

This Seminar aims to provide a platform for adding basic skills in report writing. IPR awareness encourages academicians and not to worry too much about the appearance of their documents but to concentrate on getting the right content. The purpose of intellectual property rights is to encourage new creations, including technology, artwork, and inventions, that might increase economic growth. It also helps to encourage all faculties, Ph.D. and M.E. aspirants of esteemed organizations to improve their skills.
