Report

Name of Event: Introduction to Patent filing in India
Type of Event: Institute level Seminar for faculty.
Date: 15/06/2017
Venue: Seminar Hall, Department of Mechanical Engineering
Duration of session: 4 pm to 5 pm
Aim of Event: To create awareness about Patent filing in India

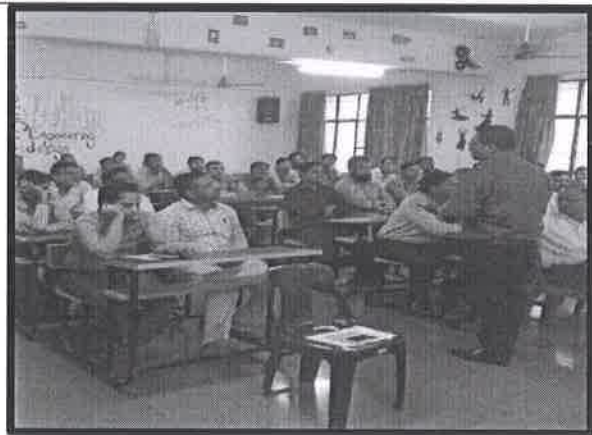

Description of Event:

The event is inaugurated by Dr. M. S. Gaikwad, Principal of SIT. The Principal has appreciated the initiative taken by the Mechanical Department, in his inaugural talk. He had explained the importance of the Patent filing. The session is conducted by Mr. A. A. Satpute and Dr. V. V. Shinde. The presentation is mainly to create awareness about Patent filing procedure in India. In presentation the focus was on 'How much the procedure is easy to file a patent in India'. In this we have discussed about the methods of filing patent, the cost required, location of patent offices, finding of patents, which can be and can't be file as patent etc. The session was conducted for 1 hr. in interaction type. Dr. V. V. Shinde has explained in nice manner about patent filing documentation. We ended the session with conclusion that 'the Patent filing is easy but to invent something is quite difficult.'

About SIT

Sinhgad Institute of Technology (SIT), Lonavala has been set up by Sinhgad Technical Education Society, Pune under the leadership of its founder president Prof. M.N. Navale.

The institute is located at an exquisite hill-station Lonavala in Maharashtra. Over 160 acres of the campus is beautifully carved atop the hills in Sahyadri mountain ranges. The all fresh environment is complemented by marvellous scenic beauty.

Since its inception in 2004, the institute has been built on strong foundations of the best teaching-learning practices. The all-round growth of students is the centre of focus of all the activities and programs conducted at SIT. Academics is given the topmost importance and its conduct is based on six perfected processes of planning, execution, monitoring and accountability.

Value addition programs are meticulously organized to enhance competency and soft skills of the students. Understanding the importance of faculty development, the institute strives hard to promote faculty interaction with industry.

How to reach SIT

STES Lonavala campus is very well connected to Mumbai and Pune by Road, Rail and Air as well. It is almost midway between Mumbai and Pune airport, approximately 50 Km.

**A STTP report on
“Advanced Optimization Techniques and Applications in Electrical Engineering”**

The event “Advanced Optimization Techniques and Applications in Electrical Engineering” organized by Electrical Department was started at 10am. On 06th to 10th March 2017. The event was organized at corporate training Center, CTC. The total no of participants were 25.

Day 01 : 06th March 2017

Dr.M.S.Gaikwad, Principal, SIT Lonavala, and Dr.A.A.Kalage, HOD, Electrical Dept., jointly inaugurated STTP. By addressing the crowd with a word of guidance, he very clearly and eloquently described and emphasised the idea, spirit, and motivation of this action. The day's first session began with an expert talk by Dr. N.D.Ghavghawe. He went over all of the concepts and flow of Advanced optimization techniques from a conceptual standpoint, as well as his way for teaching some tough linear programming portions. Dr. A.G. Kamble from SIT Lonavala led the second session. He went over AHP, which is one of the optimization methods. Dr.A.G.Kamble conducted the third session on AHP and MADM approaches.

Day 02 : 07th March 2017

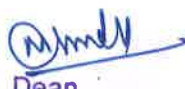

The session was conducted by Dr.G.G.Waghmare from KKW college, Nashik. Teaching Learning Optimization Techniques was one of the topics he discussed. He shared his experiences with the audience. Dr. A.G. Kamble from SIT Lonavala led the second session. Jaya Algorithm was explained by him. Prof. S.V.Tade from SIT Lonavala led the third session on MADM techniques..

Day 03: 08th March 2017

The session was conducted by Dr.A.A.Kalage from SIT, Lonavala. He discussed about Advanced Teaching learning optimization Techniques. Shared his experiences with participants. The 2nd session was conducted by Dr. P.M.Sonavane from KKW, Nasik. He explained about Particle Swarm Optimization (PSO).3rd session was conducted by Dr.A.A.Kalage from SIT, Lonavala. He discussed about Genetic Algorithm. **ATTESTED**
