Dear Amol Narayan Athare ,

Congratulations and welcome to Infosys!

As a preparatory step for all our offered students who will be joining Infosys, we require you to enroll on our Lex platform which has been created for our exclusive group of campus recruits. Lex is our advanced, anytime, anywhere learning platform to facilitate Learning-on-the-go. Registration on Lex is mandatory for all our campus hires.

The Infosys training program comprises three segments viz., **Foundational, Technical Stream and Soft Skills**. Through Lex, you get an opportunity to complete the **Foundational segment** even before you join us at Mysore. Within a week of your joining at Infosys, you will be administered a pre-training assessment on topics covered in Lex. Upon **Clearing the assessment**, you will be a fast-tracker and advance to the Stream and Soft Skills segments of our training program directly!

**Benefits of this acceleration**

- Shorter training program
- Faster deployment to unit
- Quicker confirmation
- Faster promotion
- Significant head start compared to peers
- You will also receive a financial incentive of Rs. 25,000 along with the first month's payroll
