Dear Naqshatra Achal:

Congratulations! It is with great enthusiasm that I offer you admission into the Master of Business Administration program at the School of Business at Stevens Institute of Technology for the Fall 2021 semester. Each year, our admissions team sees more applications from an increasingly stronger pool of prospective students. After reviewing your impressive credentials, it's clear you've got what it takes to be a star in the MBA - Analytics program at Stevens.

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of \$20000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

Stevens isn't a business school for everyone. Not only do you need the right academic excellence, you need a deep appreciation for technology and its role in solving business problems. It's clear to me that you're the kind of creative, critical thinker who will thrive at a school where new technology isn't just taught — it's invented, refined, shared and applied.

For more details on your admission and to confirm or decline this offer, please read the information on the following page. Our admissions office as well as your advisors will be in touch with you shortly to ensure you have everything you need to enroll at Stevens for the upcoming semester. Until then, please share this happy news with those who have supported your journey so far.

I'm so excited to welcome you to the Stevens community. I'm confident that you'll do great things here that will change the way you see the world and prepare you for an incredibly rewarding career.

Sincerely,

Dr. Gregory Prastacos
Dean of the School of Business
Stevens Institute of Technology
