IQAC Summary Report
On
Professional Development Training Programs
[From A.Y. 2016-17 to A.Y. 2020-21]

Professional development shows career progression and are interested in keeping them with organization is long-term objectives. Providing professional development training opportunities allow our staff to build confidence in the work they do. It also helps them to build credibility as they continue to gain new skill sets and certificates. It can also reduce the knowledge gaps that are inevitable with turnover and outside hires. Providing periodic professional development can also help our staff gain new skills and perspectives, which can translate into how they approach their responsibilities. Our IQAC has reviewed the requirement for improvements in quality in the teaching process for attending Orientation program, Refresher course and Short term courses. Faculty members of Sinhgad Institute of Technology are encouraged to participate in various Professional Development Programmes, Orientation / Induction Programmed, Refresher Course, Short Term Course etc. outside the institution for updating knowledge.

Following table and bar chart summarized the average number of teachers undergoing online-face-to-face Faculty Development Programmes (FDP) during the last five years.
