Vision, Mission and Objectives of the Institute

Vision:

उत्तमपुरुषान् उत्तमाभियंतृन् निर्मातु कटिबद्धाःवयम्

“We are committed to produce not only good engineers but good human beings, also.”.

Mission:

Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity & technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant Society.

QUALITY POLICY

Our Quality Policy is aimed at achieving the excellence in technical education, by acquiring autonomous status to the institutes with recognition at national and international level. For this, we are committed to:

- Provide excellent infrastructure facilities.
- Employ highly qualified and experienced faculty.
- Encourage the faculty for improvement in qualifications.
- Promote the institute - industry interaction.
- Create environment for research and getting industry-sponsored projects for students.

OBJECTIVES:

- All round development of students relevant to the needs of industry and making them competent to face the challenges of globalization.
- Empowerment of faculty and staff through continuing education.
- Develop strong Industry-Institute Interaction to offer expertise for projects, training, testing and consultancy.
- Overall development of students through Student Training Programmes (STPs) and value addition programmes (VAPs).
- Establish center of excellence (COE) in engineering research.
- To start doctoral program in engineering.
- Serve as engineering knowledge center for society in general.
