1.4.2.5 Suggestions and Action taken report on feedback from

1. Students, 2. Teachers, 3. Employers, 4. Alumni

1. Student's Suggestions on Curriculum

- 1. The curriculum should be adoptive to entrepreneurship and employability
- 2. The curriculum should be relevant to the recent trends and leads to critical thinking.
- 3. Curriculum contents must be supportive for development of Professional ethics
- 4. Curriculum must be encouraging lifelong learning as good human being.
- 5. Curriculum contents should be supportive for concept of team building.
- 6. The curriculum must create interest to pursue post-graduation and research.
- 7. Curriculum should supportive for Entrepreneurship development.
- 8. Honors course should start from SE class.
- 9. Inclusion of subjects like Electric Vehicles, Augmented reality, Block chain in curriculum.
- 10. Industrial Training should be compulsory for SE & TE classes.
- 11. Internship programs for students to cope up with the current market demands.
- 12. Curriculum must have value added courses like Python Programming, Data science, cyber security.

2. Teacher's Suggestions on Curriculum

- 1. Syllabus of new pattern must be design well before its implementation.
- 2. The syllabus should be well organized for class wise curriculum.
- 3. Programmes outcomes, specific outcomes and course outcomes should be well defined.
- 4. The text books / reference books should be as per the requirement of curriculum.
- 5. The system followed by the university to design and development of curriculum must be transparent, flexible and effective.
- 6. There should be the provision to update curriculum time to time.
- 7. Time framework of the syllabus during the semester must be well defined.
- 8. The curriculum should reflects good balance between theory and practicals.
- 9. The curriculum must be suitable for both slow and fast learners.

3. Employer's Suggestions on Curriculum

It was wonderful day 26th Feb 2020. SIT organized Employer Meet for all associated employers and received good response. Total 11 employer representative were present for meeting. Principal Dr. M. S. Gaikwad, Vice Principal Dr. D. D. Chaudhary, TPO Prof. Y.D Jadhav along with all departmental Heads and faculty were present for inaugurations. After inauguration employer visited all departments for project exhibition. Their employer gave suggestions on curriculum and its implementation for professionally improve. Then employer had wonderful interaction with SIT students and gave feedback. We have received good response from all employers. They have appreciated the Students Training Program and Value addition program offered by our institute to the students.

Some sample suggestion are as follows

- 1. Curriculum structure and contents should support to enhance employability skills.
- 2. Curriculum should bridge the gap between industry and academics.
- 3. Curriculum must have a good balance between theory and practical knowledge.
- 4. Content of curriculum must caters the need of industry
- 5. Curriculum must be helpful for development of professional ethics, lifelong learning skills, team building, leadership qualities and environmental awareness.
- 6. Curriculum must have project based learning subjects to improve team building.
- 7. Curriculum must have foreign language courses.

4. Alumni's on Suggestions on curriculum

Alumni feedback is conducted through alumni meets and their interaction with departments from time to time. It helps in **refinement of the curriculum**, deciding contents of Value addition Programs (VAPs), STPs, Expert talks on latest technology and Industry Interaction. From academic year 2019-20, Alumni meet and feedback from alumni was taken online due to pandemic directive. Sample suggestions on feedback from alumni for academic year 2020-21(online) and 2017-18(offline) are given here.

A. Suggestion given by Alumni in Alumni meet (Online) Date: 27-02-2021

- 1. Modern technology based subject and Internship must be included the syllabus.
- 2. Placement improvement techniques should be included in curriculum.
- 3. Curriculum must bridge the gap between Industries and Academia.
- 4. Feedback from alumni may be taken periodically for improvements in curriculum.
- 5. Mini project should be with practical orientated approach for teaching.
- 6. Internship program should be compulsory to all students to increase technical knowledge
- 7. Provide access to new subjects from syllabus through online websites
- 8. Curriculum must design to motivate students for startup and Entrepreneurship.
- 9. There should be problem based learning concept in curriculum
- 10. Modern technology based subject such like 3D printing, Energy Management system course, Internship should be included in the syllabus.

B. Suggestions given by Alumni in offline meet on 1st July 2017

- 1. Interdisciplinary program must be started for EnTc and Mechanical students
- 2. Software skills requirements to industry from freshers must be incorporated in syllabus.

LONAVLA

- 3. Curriculum must helpful for higher studies and competitive exams and jobs.
- 4. Motivation to students for start-ups and Entrepreneurship requirements
- 5. Placement improvement techniques should be included in curriculum.
- 6. Feedback from Alumni for improvements in department.
- 7. Mini project should be their Practical orientated approach for teaching
- 8. Internship program should be compulsory to increase technical knowledge
- 9. Curriculum must support to understand new upcoming technology.

10. Quality of the project should be enrighed as inclustry standard.

SIT/NAAC-2022/Criteria-1/1.4.2
