STUDENT WELFARE POLICY

The objective of a student welfare policy is to promote the welfare, safety, and overall development of students within an educational environment. The policy aims to create a supportive educational experience where students can grow academically, emotionally, and socially.

1. For student industrial visit, transportation facility provided by the college in to ensure safety, comfort, and timely travel.
2. Campus Clinic Facility- Our campus is proud to offer a conveniently located clinic facility, which provides easy access healthcare services for students, faculty, and staff. Services include routine check-ups, sick visits. Clinic is committed to promoting health, wellness, and academic success, ensuring a supportive and healthy campus community.
3. Financial aid for sports kits and gymkhana equipment is part of the student welfare policy aimed at promoting equal access to recreational activities. especially sports and training.
4. Student insurance is to provide by financial protection and support to students in case of accidents, illnesses, or other unforeseen events that could disrupt their academic life.
5. Providing feedback on the teaching-learning process involves analyzing both teaching methods and students' engagement, aiming for improvements. Feedback promotes a balanced improvement while maintaining what works well in the teaching-learning process.
6. Teacher Guardian System will provide supportive environment for students by establishing a mentorship system and where teachers take on the role of Guardian, which help to address individual student need early.
7. Best outgoing student will be selected on the criteria's that are academic performance, leadership and environment, extra-curricular activities, character and ethics. This policy will encourage students for academic excellence and personal growth.
8. By providing financial assistance, institutions can significantly enhance the effectiveness and impact of student clubs, ultimately contributing to a well-rounded educational experience.
9. Institute provides travelling support for participation in project exhibition and other events at university level as well as state level.
10. Best project award given, which motivate student for project based learning. First and second prize will be given to the various events organized in TECHTONIC the technical festival organized by institute for all technical community students
11. Student representation in various institute-level committees is vital for fostering an inclusive educational environment. It enhances student engagement, promotes transparency and practices that had better meet the needs of the student body.

Celebrating 25 Years
