Nice atmosphere

Good

Nice

Everything's good, keep it up

.

All faculty members in SIT clg is best..... But cultural program is little bit enjoyment for us.....so arrange that program... overall clg campus is best natural and healthy area no pollution is here... hostel and mess is also good .. time management of clg is so busy.. study is also imp but time require for lunch is not sufficient..so little more time is give...

Prof pinjari should be replaced. New faculty for math should be introduced..

Teaching was very good thanks 😊

Good teaching prepare proper notes friendly discussion

All is good !!!

Time table of the college is very long we don't get that much te for self study .

no

Please if it's possible to take tests in class after every topic.

Average

Please co-operate with students ,for those students they don't have any other option to do job with study also some financial & Medical problems from their home

Null

All staff are very helpful

no comments

Require Joshi Mam For Engineering Mechanics

BXE learn very hard

Improve the extra curricular activities

No need

Amazed by learning here

all excellent

More extra curricular activities should be conducted.

Institute don't have the proper staff for subjects

Noo all are ook

Overall good

Nothing

No communication

Ok

Great

Overall good experience

We want fresher's party ...if not atleast new year celebration please

Classroom infrastructure should be proper atleast good benches quality and max no. Of fans as possible

15 minute break is not sufficient for having breakfast it should be of half hour at least

No more sports event. No any party or any program . Plz conduct program and and sports event.

Freshers party not conductet and also the sports department is also not giving any chances and there very small number of holidays

There is lack of activities like cultural programs...Career Counseling Center CCC is doing great work for the Student's skills empowerment and overall technical,career related guidance

There should be more communication between mentor and the students

Girls Gymnastics atleast cardio machines

Some sir not giving practical marks

I had done 2 internships in top most IT Companies on my own which are also MCA verified companies , but institute never supports me even though internship were paid , also I gave more than 13 interviews in my second year of college for job role of Web developer with framework support of Angular and finally i have three offers rom top mnc companies such as Tcs , Infosys and persistent as a software developer role but my college teachers haven't support me yet , somehow I talked to my HOD and i convinced him , but my faculty coordinators never supports me ...If you have any doubt about my skill set please view my linkedin account which will help you to find my projects and other relevant details... Thank you kindly support me to grab this opportunity

Everything is satisfactory.

Please take review seriously

Syllabus is going so fast , so we are not able to learn the concept in a deep way, it's like a rat race and because of this pressure is build up on the students ,so I don't think that this is called engineering as what I thought earlier .

Please add more books in library and want some motivational class. 😊

I am satisfied about all the teaching staff and every activity held in our institution

Great 👍

Syllabus is going fast

The overall quality of teaching process is very good.It helps in our overall growth.

Girls need bus to travel after lunch from mess to the SIT building

We are core students so we need be communicated with teachers but that very rarely happens in our department. We really wanted to some internships and side visits that is very essential for our improvement of technical knowledge and that so oftenly happens in our department. We just visited some times as the name of industrial visite to our institutes substation. They so rarely communicates with the student about the project happens in every semester and even practicals happens in the lab. And even not any student is placed by our department so we really needed teachers guidance for placement as well hope so improvement will take place.

Computers not Available in proper condition and some labe not have a computer

Just consider that all students are not lying. Some actually are poor. Don't push us to hard sir, we can't handle it.

Class room sitting tables and lcd projector quality is poor

No.

Good conduct by college and teachers.

Low division students are associated with poor level teachers

Not at all focus on Practical Knowledge

Please increase a other courses for students to increase he/she extra courses knowledge

Poor infrastructure

Excellent

Yessss

i think some teachers try to improve the interaction with students and try to explain the proper concept of subject

Regarding the maintainance of Mechanical Engineering pratical demonstration shade equipment.

Excellent teaching

All Is Well

My experience has been very good but their are few place where institute can improve like more in extracurricular activities and engageing students more in group wise discussion facilitating this education can become more interesting

Please give a permission to us for doing internship as long as possible

B.E.E

Institute efforts to make students ready & well trained for industry is very good.

Bxe sir is not explaining working of Circuit

None

Just change the whole Faculty.

Some teachers don't explain effectively.

Plz change BXE teacher

It would be better if focus is increased on placement ,certification, practical and skill side instead of just assignments and theoretical knowledge

Everything is good

Very thankful

No comments everything is fine

Well good 😊

Teachers should work on building student teacher relationship so that students can frankly share their doubts without hesitation cause we come here from far away places . teacher come into classes and only give boring lecs and dont understand students mental health.

Overall experience of teachers is really very best.

The

Rarely any lectures are conducted for DME subject

I have given low grade in every field due to the deld teaching staff...

Best Teachers

I agree with my institute
