Computer Assembly Workshop

Objectives:

1. To give the hands on training to students.
2. To provide the participants practical with hands on experience in assembling a fully functional computer.
3. Building confidence in computer hardware handling.

Short Summary of the Event:

The IIC club has organized a Computer Assembly Workshop. This workshop provided hands-on experience in assembling a personal computer from individual components. Participants learned about the essential hardware parts such as the motherboard, CPU, RAM, storage devices, power supply, and cooling systems. The session covered safety precautions, step-by-step assembly procedures, and basic troubleshooting techniques. By the end of the workshop, attendees gained practical skills in building and maintaining a computer system.
